Personal Profile

Dedicated and adaptable teacher with full-time classroom experience overseas, now seeking to build a long-term teaching career in the UK and work towards Qualified Teacher Status. Confident in delivering engaging lessons, managing behaviour effectively, and creating a positive learning environment that enables pupils to succeed. A strong communicator with excellent classroom presence, committed to high standards of teaching, professional development, and student achievement.

Employment History

Science Teacher – Ministry of Education | Abu Dhabi, UAE

Oct. 2019 – Dec. 2022

- Planned and delivered Science lessons to students aged 11–16 following the American curriculum, adapting prescribed textbooks into presentations, worksheets and activities to engage mixed-ability classes and support English as an Additional Language (EAL) learners.
- Maintained accurate records of student attainment, behaviour and progress across classwork, activities and assessments to support constructive discussions with parents.
- Ran monthly practical experiments to summarise modules, reinforce key concepts and highlight the real-world applications of science.

SEN Teaching Assistant – St Joseph's College Croydon | London, UK

Sep. 2018 – Aug. 2019

- Worked closely with classroom teachers to deliver targeted support to students with a range of special educational needs (SEN).
- Supported individual and small-group learning activities to improve student understanding and confidence.
- Maintained detailed student support logs to inform Education, Health and Care Plan (EHCP) reviews and wider pastoral support.

Education

Digital Skills Bootcamp (Data Technician) – Just IT | London

Sep. 2024 – Dec. 2024

- Data analysis, visualisation and database management using Power BI, SQL, Excel and Python.

University of Reading | Reading, UK

Sep. 2015 – Jun. 2018

- BSc (Hons) Chemistry

City of London Academy | Islington

Sep. 2007 – Aug. 2015

- A Level:** Chemistry, Biology, Physics
- GCSE:** 11 at A-C incl. Maths, Science, English Literature & Language

Professional Development & Additional Experience

Private Tutoring

- Provided one-to-one tuition in Mathematics and Science to students aged 5 to 15, including those with English as an Additional Language.

Digital literacy & Data Handling

- Developed strong digital literacy through practical use of Python, SQL, Power BI, Excel and CRM systems, supporting structured thinking, accurate information handling and clear communication of complex ideas. Examples of projects and practical applications are available in my IT Skills & Personal Projects Portfolio.

Language Learning

- Self-studying Modern Standard Arabic, with fluent reading of Modern Standard and Classical Arabic script, and beginner-level comprehension and spoken proficiency.
